

CONFIRMATION PROGRESS TRACKER FOR: _____

This sheet is a tool for you to keep track of your child's progress on the Confirmation requirements. Please use this throughout the year so YOU know where your child stands and what they still need to accomplish. Keep in mind that your child must actually turn in the required forms to get credit for their community service and Sunday service notes. They don't count unless we know about them! Also, most social events require registration, so watch for those forms online and in your mailbox.

Thank you for your cooperation in your child's spiritual growth!

Confirmation Class Attendance: your child can miss up to 3 times during the year

**Dates we have missed Confirmation class:*
