**Summertime Bible Study**  
**Wednesdays in June at 6pm**  
**WE SAVED YOU A SEAT**  
BY LISA-JO BAKER

Pull up a chair. In today's busy world, we're wired to be "fine," warding off authenticity for pleasantries. Shielding ourselves from judgment and misunderstanding. Hiding in the shadow of our business to escape intimate friendships with the women God places in our lives.

The ultimate friend, Jesus, doesn't give up on us. We can see through His life an example of what it means to be a friend, even when it's hard or risky.

Every Wednesday night in June, beginning at 6pm, we'll enjoy dinner, Bible study (facilitated by Jennine Ulibarri), and a special time of creating unique gifts for our friends. So grab a girlfriend (you can sit together) and show up for a time of fellowship, growing in Jesus, and fun.
