

Episode 7 - Changes

Hebrews 13:8

BIBLE MEMORY VERSE

Jesus Christ is the same yesterday
and today and forever.
Hebrews 13:8

God loves
for you
Never changes!

FAMILY DISCUSSION

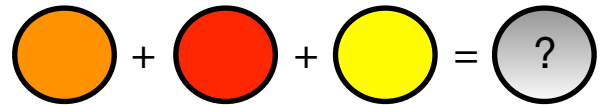

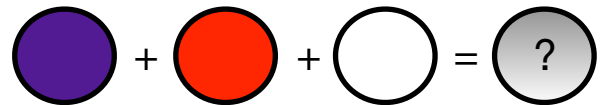

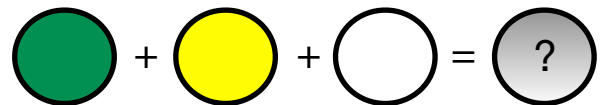

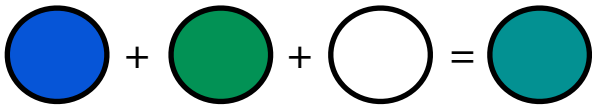

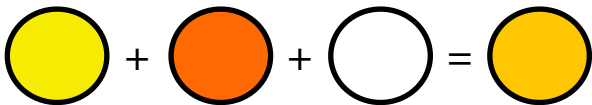

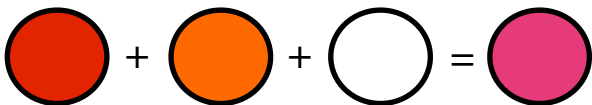

Have you ever had to switch schools, move houses, or make a different change?

Using a small white board or a piece of paper, together make a list of things that change in this world. For example: the weather or seasons.

Then, make a list of things that never change. For example: A parent's love for their children or God's presence with us.

GOD DOESN'T CHANGE, BUT COLORS CAN!

Make colors change! What happens when you mix various colors together? Get some paint and carefully mix together colors on a new paper to see what happens!

No matter what new colors you can make, remember, God's love for you *never* changes.
