BIBLE MEMORY VERSE

See what great love the Father has lavished on us,
that we should be called children of God! And that is what we are!

1 John 3:1

FAMILY DISCUSSION

Read this week's Bible Memory Verse and
celebrate that you are a part of God's special
family! You are a child of God!

Did you know that you have TWO families!? You
have your family that you live with and you are
a part of God's Church Family! How special!

DID YOU KNOW?

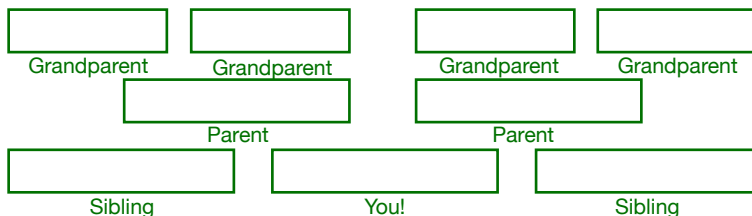

Treehouse Terry learned his family
history from his mom. Treehouse
Terry is a plumed basilisk
(*Basiliscus plumifrons*), also called
commonly the green basilisk, the
double crested basilisk, or the
Jesus Christ lizard. It is a species
of lizard in the family
Corytophanidae. The species is
native to Central America.

FAMILY TREE ACTIVITY

Talk to your parents and other members of your
family about your family history. Can you name
your grandparents, great-grandparents, or family
members even further back!? How about aunts
and uncles and extended family?

Make a Family Tree for as many people in your
family that you know of.
