Dear Vacation Bible Xperience Families:

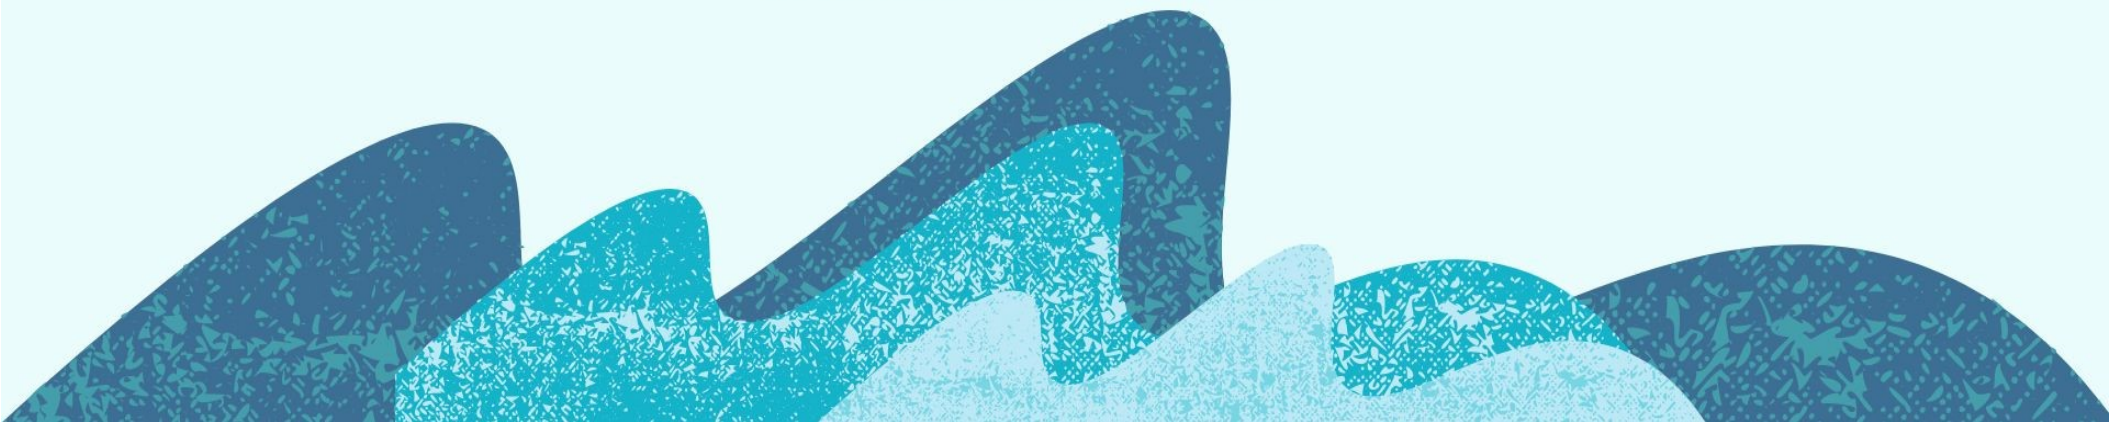

**La Casa de Cristo Lutheran Church is excited to have your child join us for VBX 2023 “God’s Seas You.”
During this year’s Vacation Bible Xperience, we will learn that:**

- *GOD IS IN CONTROL**
- *GOD IS FAITHFUL**
- *GOD GIVES US WISDOM**
- *GOD PROVIDES A WAY**
- *GOD SEES YOU**

We have prepared this handbook as a guide to this year’s Vacation Bible Xperience, including policies and procedures.

Thank you for letting La Casa de Cristo partner with you in this all important responsibility. We look forward to having your child join us at VBX 2023.

**In His Love,
Staci Medina VBX Director
smedina@lacasadecristo.com**

Drop-Off Procedure:

- All children are dropped off at LA CASA DE CRISTO LUTHERAN CHURCH (6300 East Bell Road) no earlier than 8:55 am. (supervision is not available before then).
- **4 year olds and kindergarten must be dropped off and signed in at their assigned location each morning.**
- **1st grade through 6th grade meet in their assigned location.**
- If an emergency occurs, you MUST call the Church Office at (480) 948-1234. Please let the receptionist know there is an emergency situation and she will immediately put you in contact with a person who can help you.

Pick-Up Procedure:

- Vacation Bible Xperience ends at **12pm** each day. All children must be picked up by 12:05.
- **4-YR-OLDS AND KINDERGARTEN:** Children must be picked up in their assigned location. **All children 4 years and kindergarten must be signed out.** After 12:10pm, VBX staff will take any remaining students to the VBX Office, located on the west side of Building C (Children's Ministry building).
- **1st GRADE AND OLDER:** Children are released from their starting location. It is your responsibility to establish a meeting place with your child. The Gathering Place will be open to provide a cool place for you to wait. Please take the time now to arrange a meeting place with your child so we do not have any "lost" parents on the first day.

Miscellaneous Information:

- Class lists have been coordinated and distributed to the volunteer teachers. **We cannot make classroom changes during VBX.** Your understanding is greatly appreciated.
- Friend requests are NOT guaranteed. Only students in the same grade/age can be requested.

Items to Bring:

- A freewill offering will be received daily to help pay for materials.
- VBX is a wonderful opportunity for children. Just think, 5 straight days, 3 hours a day, of having your child's heart and mind involved in learning about Christ!
- This year our VBX Community Project is to collect peanut butter and jelly for our local food bank.
- Please send a LABELED water bottle with your child each day.

Personal Attire/Items:

4 year olds through 6th grade: All children attending VBX will receive a VBX t-shirt.

- Please assist us in achieving the best learning environment for your children. Toys, electronics and other personal distractions should be left at home. This includes but is not limited to: handheld game systems, IPODs, dolls, fidget spinners, action figures, and collectible items. Cell phones must be turned OFF during class and activity time. Our time with your children is limited, and we appreciate your helping us to make sure it is productive. If a phone or toy becomes a distraction, we will bring the item to the VBX office where a parent/guardian can retrieve the item at the end of the VBX day.
- So that your children can participate in all activities easily and safely, we recommend that they wear tennis shoes. We also request that children be dressed comfortably and modestly for the five days of VBX.
- It is important that your children eat a good breakfast each morning before VBX. We have planned energetic activities for your children. Advise them on the importance of drinking water throughout the day, especially during the heat of the summer. Please apply sunscreen to your children as they **will be** outside for some activities. There will be water available during our recreation time and snack time for all children.
